**Patianna Organic Vineyards 2009 Estate
Vineyards Sauvignon Blanc (Mendocino);**

“Winemaker Mike Lee Continues to prove his prowess with Sauvignon Blanc in this latest vintage of Patianna, Patti Fetzer’s line of organically farmed wines from outside of Hopland in Mendocino County. Fermented entirely in stainless steel without undergoing ML or barrel aging, it delivers everything you love about the variety, inviting one in with melon and minerality, then following through with a surprising creaminess and almost decadent, mousse-like finish.”

HIGHLY RECOMMENDED

Scouting for the tastiest summer whites.
Patianna 2009 Mendocino Sauvignon Blanc
A tasty Sauvignon Blanc with crisp, refreshing flavors.
Notes of grapefruit, lime and spice. Tangy finish.
