“Mike Lee continues to prove his prowess with Sauvignon Blanc in this latest vintage of Patianna, Patti Fetzer’s line of organically farmed wines from outside of Hopland in Mendocino county. Fermented entirely in stainless steel without undergoing ML or barrel ageing, it delivers everything you love about the variety, inviting one in with melon and minerality, then following through with a surprising creaminess and almost decadent, mousse-like finish.”

Mendocino County Wine Competition: Silver Medal Winner

“I snuck this Zinfandel into AT&T Park for one of the Giants’ home openers against the L.A. Dodgers. Big, bold and brambly, this Zin is super spicy with ripe black fruit. It was the perfect bottle to have on a chilly night.”
